# School Action Plan

Key stage 2 Subject Citizenship

**Reducing waste isn't difficult, it just takes a team effort and a bit of time to set up.**

## What does your school already do?

| | |
|---|---|
| Compost waste from the kitchen and dining room | ☐ |
| Recycle paper | ☐ |
| Reuse envelopes (in the school office) | ☐ |
| Have a junk modelling collection point in all classrooms | ☐ |
| Recycle cardboard | ☐ |
| Save used postage stamps to send to Guide Dogs For The Blind | ☐ |
| Collect aluminium for recycling or giving to a local charity | ☐ |
| Send Tetrapak cartons back to the manufacturer for recycling | ☐ |
| Restrict the number of paper towels pupils use to one per toilet visit | ☐ |
| Use paper on both sides before recycling it | ☐ |
| Donate unwanted books and equipment to charity shops | ☐ |
| Have monitors to check the paper recycling and compost for contamination | ☐ |
| Other | ☐ |

## Prioritise the points above that you don't already do so that the most important one to you is at the top of your list.

1.
2.
3.
4.
5.

## Either use the work sheet provided, or draw a plan of your own school to describe how you would carry out your top three priorities above.
